R.M. WHITCOMB ELECTED BANK PRESIDENT

At their regular December meeting, the directors of the Wareham Co-operative Bank effected several changes in the bank's management, following the announcement by George H. Smith of his intended resignation as president on December 31, 1961. Mr. Smith explained that this resignation was prompted to comply with recent legislation regarding interlocking directorates, namely: Section 8A, Chapter 170 of the General Laws of Massachusetts which states that after January 1, 1962, no person shall be a director, trustee or other officer of two savings institutions at the same time.

Mr. Smith has served as president of the Wareham Co-operative Bank since 1953. He joined the bank as a director in 1928 and since that time has played an active roll in the development of this bank.

Mr. Robert M. Whitcomb has been elected president, a position to which he brings many years of banking experience. He has been active in banking circles since 1928, coming to the Wareham Co-operative Bank in 1946 as treasurer. In 1953 he was elected vice-president.

Edwin L. Morse, a director of the bank for twenty-five years and member of the Security Committee since 1946, has been elected vice-president. Mr. Walter C. Morse has been advanced to the office of treasurer, having been with the bank since 1953 and having served as assistant treasurer since 1957.

These officers, along with the Board of Directors, constitute the managing and planning members of the Wareham Co-operative Bank.

BOOK FOR SAILING ENTHUSIASTS

Sailors in these towns, who received gifts of money for Christmas, may be interested in examining a new book of local sailing history. Covering the years 1870 to 1960 the book, "Sailing Days at Mattapoisett", is a sailing history of this coastal town from the end of the whaling era to the present day. It will appeal to all who sail or live on Buzzards Bay.

Here, in the only local work recording the development of yachting and small boats on Buzzards Bay, yachtsmen will find a fascinating record of their favorite sport. Covering nautical activities at Mattapoisett and throughout the Bay from the days of the large racing catboats until the present, the book also includes subjects such as: history of the catboat, New Bedford Yacht Club racing sloops of the eighties, Beverly Yacht Club regattas at Mattapoisett,

CARDINAL WINTERING IN MATTAPOISETT

Douglas Turner, an enthusiastic bird watcher, has a feeder outside of the window of his room from which he observes the species that partake of his hospitality. This week the feeder was visited by a cardinal. This is rare for this area, for this bird usually prefers a much warmer climate for his wintering. Douglas, who can identify most birds on sight, reported the event to us. He is the son of Mr. and Mrs. David H. Turner of Church Street, Mattapoisett, and is in the sixth grade at Mattapoisett Center School.

The publication of Sailing Days at Mattapoisett 1870 - 1960 has been made possible by the support of a group of interested Mattapoisett residents, whose backing makes this book available to all. Three hundred fifty numbered copies were printed by Reynolds-DeWalt, New Bedford in August, 1961.

Less than 22 copies remain unsold. Contact Carleton Burr, Ned's Point Road, Mattapoisett, Mass.

Dear Mr. Wood,

I want you to know how very much enjoyment I have had reading your Sailing Days at Mattapoisett, and I appreciate your autograph on my copy. I believe this book is extremely accurate, much more so than other books of yachting history, that I have read of late years.

Also I appreciate your kindness in speaking so nicely about the boats that my father designed for Buzzards Bay for a great many people have not appreciated how finely they were built, or had the least understanding of their special fittings, etc.

To me your book is the most complete history of a single port that I have ever seen, and I want you to understand my appreciation.

Very truly yours,
L. Francis Herreshoff.

BOY SCOUT MEETING

Scoutmaster Calvin R. Daggett of Troop 31 of Rochester announced proposed plans and projects for the Boy Scouts in 1962, at the meeting held in the meeting room of the Fire Station.

Scoutmaster Daggett said Robert F. Doane, Troop 31 committee chairman; Alfred Maccarone and Ernest J. Davoll, troop 31 committee members, and the scoutmaster attended a Boy Scout promotional dinner held in Fairhaven.

Scoutmaster Daggett said it is possible for all Boy Scouts as a unit to camp one week at Camp Cachalot, using camp facilities, eating in the mess hall and using the recreation facilities provided for that use. Boy Scouts each week may bring a small sum of money towards the camping week and the amount will be punched on a camp savings card. The scoutmaster said plans are under way for Troop 31 to spend the first camping week in July at Camp Cachalot.

Mr. Maccarone announced plans are under way for Boy Scouts to visit plants and points of interest.

HOLIDAY HAZARD

The holiday season means a hazardous season for drivers. With the extra crowded and congested highways at Christmastime and New Years, watch your driving habits and do your part to make the heavy traffic flow smoothly, advises the ALA.
